Descripción

The GG1100JC is the flagship of the 1100 series — Kubota 15 HP engine, joystick controls, heated cabin, movable arm, and expandable tracks at 1100 kg. It represents the ultimate in compact excavator comfort and capability. Built for professionals who accept no compromises: warm cabin for winter work, precise joystick control, reliable Kubota power, and full track/arm adjustability. The top choice for premium rental fleets and established contracting firms.
