Descripción

The GG300K is a compact skid steer loader with 300 kg capacity, powered by a Kubota D1105 diesel engine (25 HP). At 1230 kg, it delivers strong performance in tight spaces with excellent maneuverability and a 0.15 m³ bucket. Compatible with bucket, pallet forks, sweeper, snow plow, and grapple attachments. Ideal for construction crews, agricultural operations, and municipal teams who need a powerful yet compact machine for confined work areas.
