

GG06C

Wheel loader with cabin 25hp (max 600 kg)

Ref.: G301-24098

Descripción

The GG06C adds an enclosed heated cabin to the proven GG06 platform — Kubota 25 HP engine, 600 kg capacity, 0.3 m³ bucket, and Italian PWG hydraulics at 1670 kg. The cabin provides year-round operator comfort and weather protection. Designed for professionals who work through all seasons and need a reliable compact loader that keeps them warm and protected while maintaining full performance in construction, agricultural, and municipal applications.
