

GG06E

Electric wheel loader (max 600 kg)

Ref.: G301-24101

Descripción

The GG06E is a battery-powered articulated loader with 600 kg capacity, running on a 72V/200Ah system for 5-6 hours of quiet, emission-free operation. At 1640 kg with 2600 mm lifting height and 0.2 m³ bucket, it's powerful enough for real work while staying silent and clean. Ideal for indoor warehouses, livestock facilities, urban projects, and any environment where noise and exhaust fumes are concerns. Charges overnight for next-day readiness.
