Longitud	4545 mm
Altura	2434 mm
Anchura	1520 mm

Descripción

The GG010N is an enhanced 1100 kg capacity loader with a Yunnei Euro V engine (25 HP), heated cabin, and disc brakes. At 2670 kg with 3259 mm max lifting height and 15-20 km/h travel speed, it offers higher performance than the standard GG010. Attachments include crocodile bucket alongside standard options. Built for professional operators who need greater lifting power, faster travel, and premium comfort for year-round intensive work.
