Longitud	2770 mm
Anchura	896 mm
Altura	2100 mm

Descripción

The machine is inspected and in fully working condition, though cosmetic differences compared to a new machine may occur. Tracks in a refined Japanese-inspired design. Its lighter weight and optimized engineering deliver agile performance and easy transportability. Built for discerning contractors and landscapers who value precision engineering and smooth operation. The quality construction ensures long service life and low maintenance costs across years of professional use.
